

TEDx Constitution Drive

x = independently organized TED event

ABOUT TEDx

In the spirit of “ideas worth spreading,” TED has created TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxConstitutionDrive, where x = independently organized TED event. At TEDxConstitutionDrive, live speakers and TEDtalk videos will combine to spark deep discussion and connection. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

ABOUT TEDxCONSTITUTION DRIVE

For our special fifth anniversary event, we wanted to go back into the realms of imagination that we loved growing up — in childhood days where you can make anything, believe everything, and dreams could come true. TEDxConstitutionDrive strives to be an intimate and low-key event where people who can engage with other attendees and hold real conversations.
